

**Welcome to Etka**

**Etłk is located in the north-east of Poland by the lake and river of the same name.**

**At dawn the lake wakes up.**

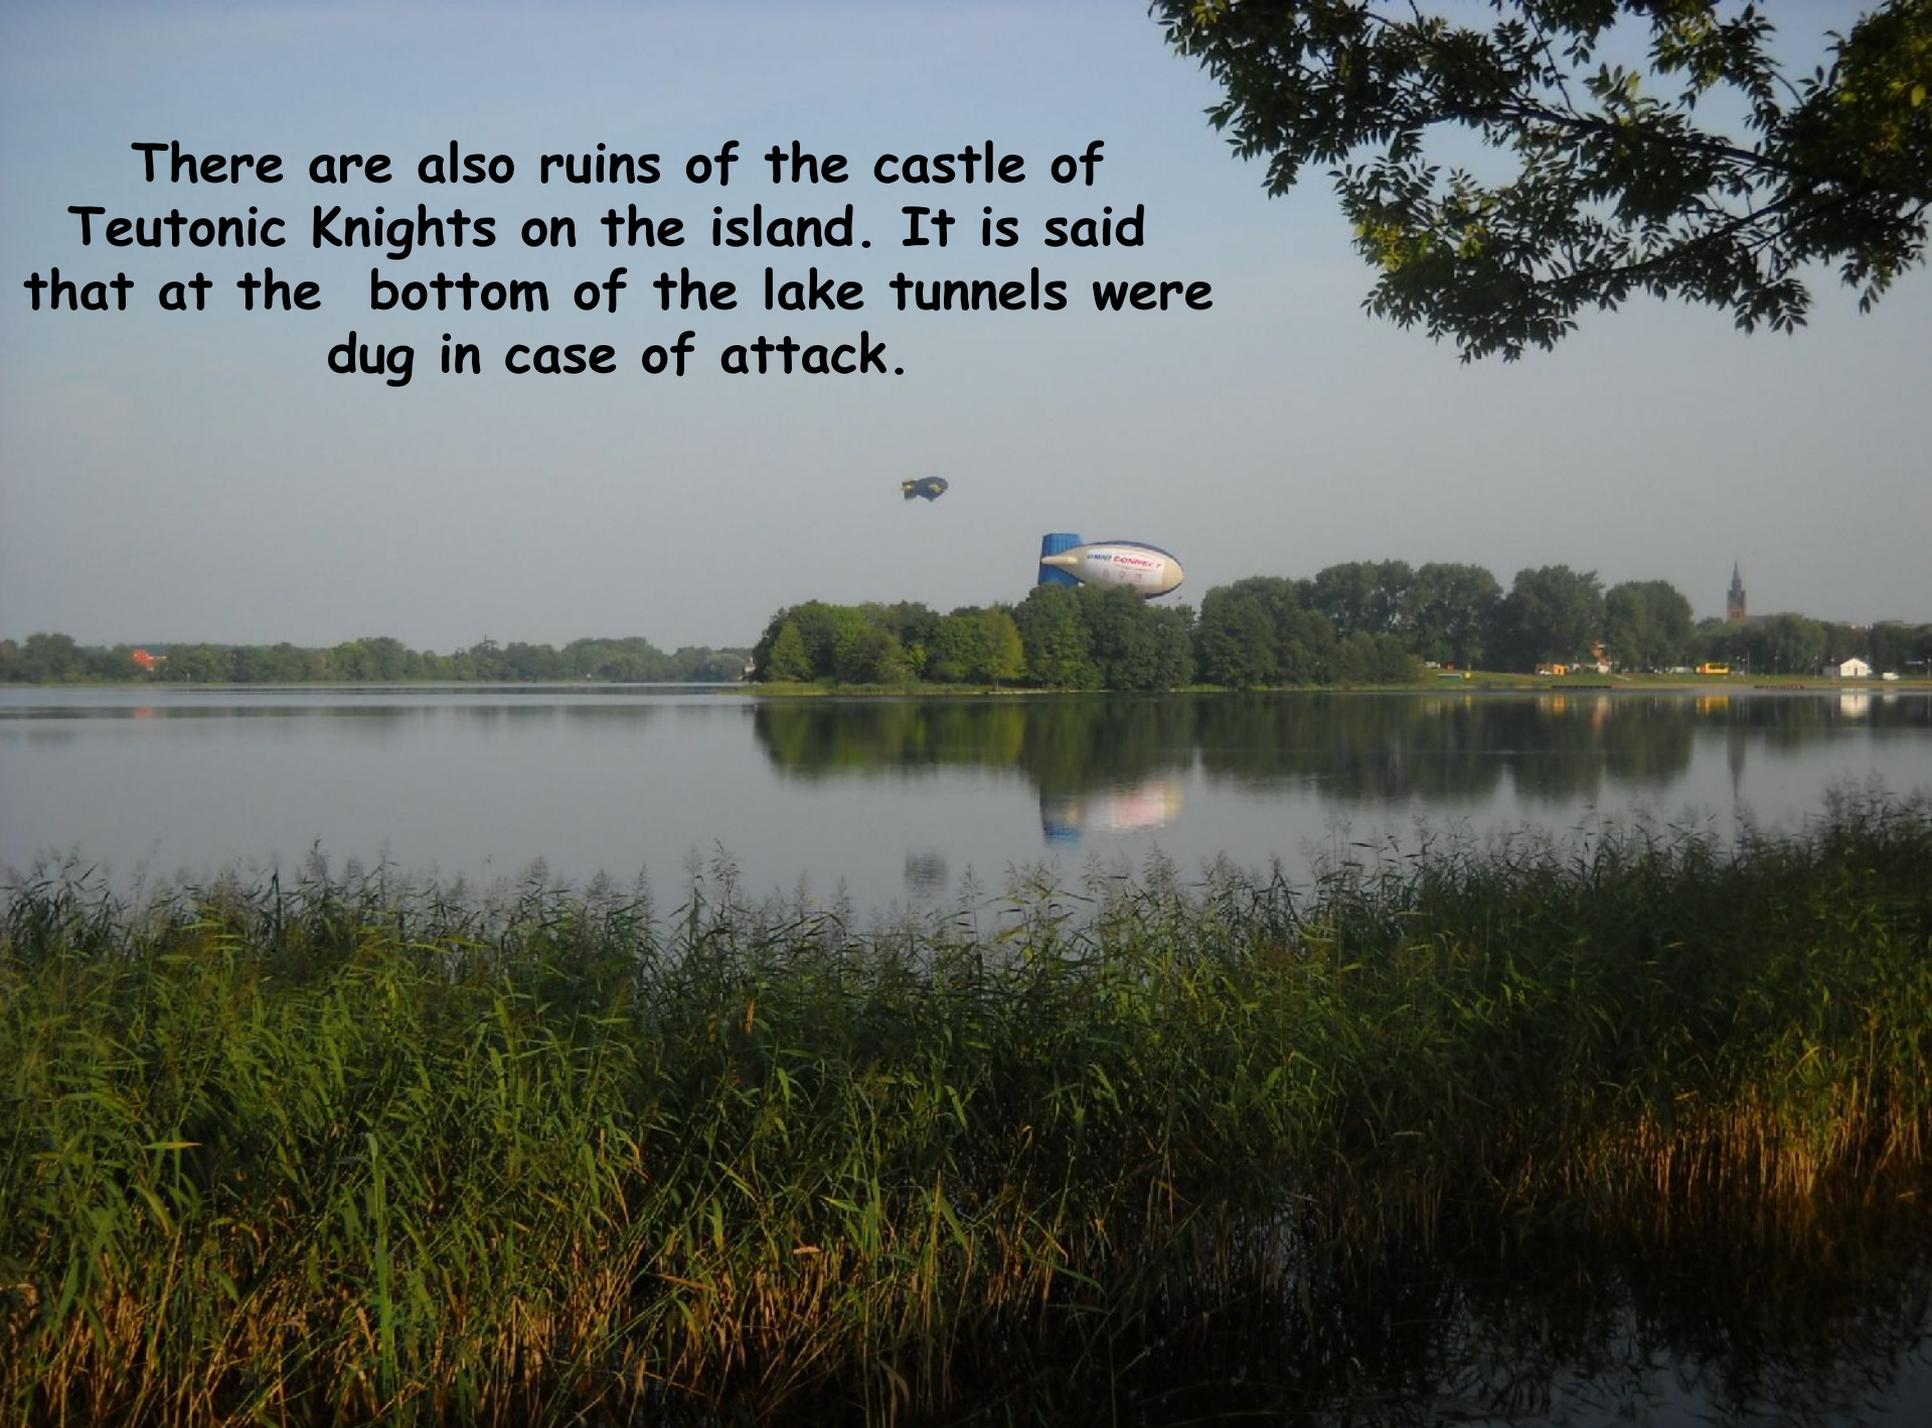

**There are about 100 lakes in the nearest surrounding.**

**Many tourists come to see those wonderful views.**

There are also ruins of the castle of Teutonic Knights on the island. It is said that at the bottom of the lake tunnels were dug in case of attack.

**Canoeing down the river through green woodlands, fields and meadows attracts tourists.**

**Widespread forests make tourists fall in love in Etk. Trees cover over 30% of this picturesque area. It is the ideal place for walks and cycling, not only for young people.**

**Active leisure is possible  
because of variety  
of sports facilities.**

**One of the minicipal playgrounds.**

**Tennis courts are the part of the minicipal stadium. In the background The Aqua Park.**

**There are about 60 000 citizens in Etk.  
It is one of the biggest town in our region.**

**In our town there are many historic buildings  
from the 19th century.**

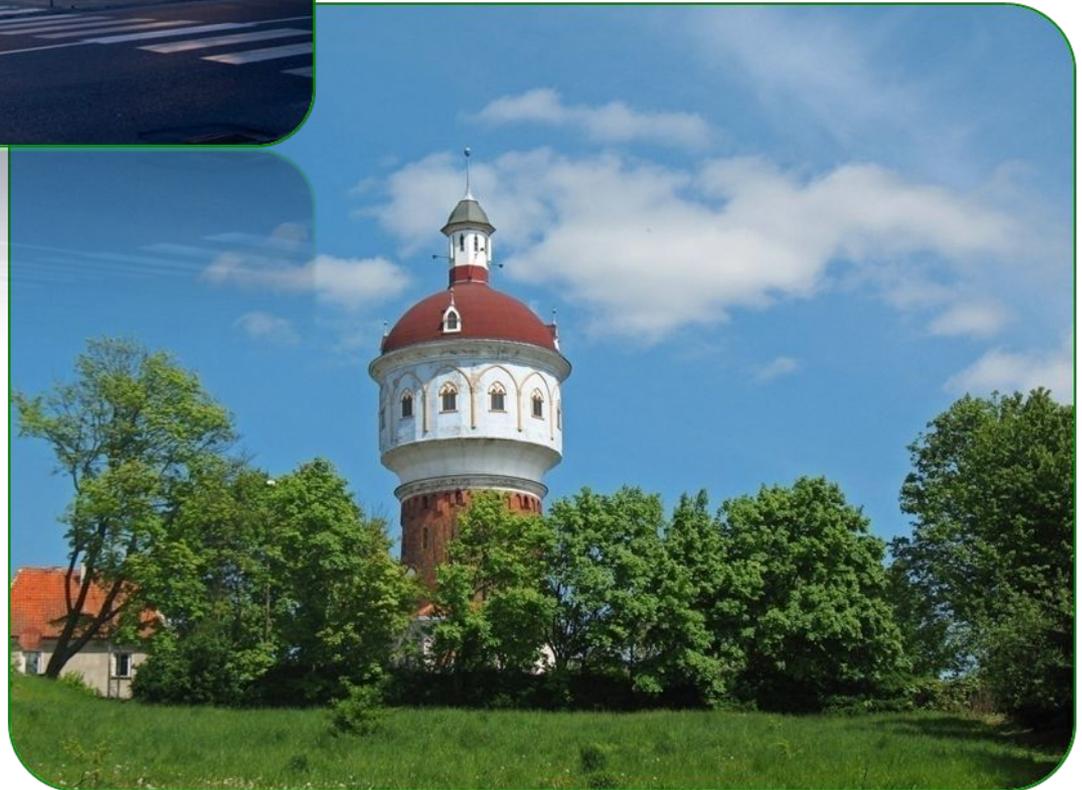

**The residence of The  
Town Council.**

**In the past the water  
tower supplied water to  
local inhabitants. At  
present there is The  
Drop of Water Museum.**

Worth seeing are also different historic churches.

Catholic Church of the Sacred Heart of Jesus.

**The promenade by the lake is a path for walkers and cyclists.**

**Walking along it you can go from one end of the town to the other.**

**Etk is famous for its festivals.**

**You can enjoy ballon competitions in summer and winter. Many other events are organized in our town.**

**Firework display at the  
end of the Fire and  
Water Festival.**

At dusk the lake and town go to sleep.
